Determination at Taupo on 18 November 2019

**DECISION OF THE TAUPO DISTRICT LICENSING COMMITTEE**

**The Application**

This is an application by **Greenstone Entertainment GP Limited** for an On-Site Special Licence pursuant to Section 138 of the Sale and Supply of Alcohol Act 2012 for the **2020 Taupo Summer Concert**. It was formally received by the Taupō District Licensing Committee on 26th June 2019.

**Reasons for the Decision**

The applicant is an experienced operator and has promoted and managed similar concerts for several years in Taupo largely without incident in recent times.

Initial concerns held by the Police and MOoH have been discussed and debated for several months and modifications and concessions have been made.

We congratulate all parties on the work they have put in to the discussions and the 'resolution.'

The final reports of the Police and the Medical Officer of Health do not oppose this application.

However, as we have told Mr and Mrs Calvert several times before, their good record of compliance must never be taken for granted or relied upon, and ongoing attention to detail and supervision must occur to protect their suitability to hold such a permissive licence now and in the future.

We believe the initiative to have some security shadow concert goes in to town is a good one as they will create a visual presence. As acknowledged, they will have no powers to intervene if disorderly behaviour occurs but will be able to point out offenders to police or the town premises security officers.

**The Decision**

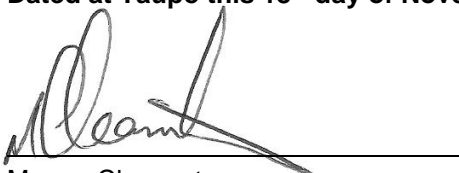

I am satisfied that the criteria of Section 142 of the Sale and Supply of Alcohol Act 2012 have been satisfactorily addressed by the applicant and the licence may issue subject to the following conditions:

1. Alcohol may be sold and supplied for consumption on the premises only on the following day and hours: Saturday 25 January 2020 from 10.30am to 5.20pm (Public bars) and from 11.00am to 5.30pm (Corporate Bar).
2. Drinking water must be freely available at both public bars, and at the corporate area bar. Two large "water tanker trucks" shall be located at either side of the venue, with taps available on each truck for patrons to access free drinking water.

3. A certificated manager must be on duty at all times at each bar facility, within the licensed area, when the premises are open for the sale and supply of alcohol and their full name must be on a sign prominently displayed.
4. Food must be available for consumption on the premises at all times the premises are open for the sale and supply of alcohol, in accordance with the sample menus supplied with the application for this licence, or menu variations of a similar range and standard.
