Dear Sir/ Madam

The majority of Taupo DLC members, Licensing Inspectors and support staff have attended a number of forums run by various agencies regarding DLC training in this area.

Change in business:

Overall the Taupo DLC's level of business has remained steady with increases in the areas of New On & Off Licences, as well as New Manager's Applications.

DLC meetings or hearings:

The Taupo DLC has had five hearings via teleconference to determine a total of fourteen Temporary Authorities, and four hearings in Taupo to determine a total of five licence applications.

Any noticeable trends or issues: Nil

2 DLC Initiatives

New initiatives adopted:

The Taupo DLC has continued to meet to determine Temporary Authority Applications via teleconference meetings via phone, which meets the requirements of section 136(3) of the Sale and Supply of Alcohol Act 2012.

These teleconferences have worked very well and are an excellent way for the Taupo DLC to determine such applications, without the need to meet in person.

The Taupo DLC Chief Alcohol Inspector continues to participate in "Controlled Purchase Operations" (CPO's) with the Taupo Police. Two CPO's were been carried out in conjunction with the Taupo Police and the Medical Officer of Health representative on 7 October 2016 and 25 March 2017. As a result of these operations compliance by licensees have increased with fewer premises illegally selling to minors in Taupo.

3 Local Alcohol Policy (LAP)

The Taupo District Council has elected not to have a Local Alcohol Policy at this point in time.
